[Play Now](#)

Anxiety UK's unity lottery

For just £1* a week you can be entered into the Anxiety UK lottery, giving you the chance of winning £25,000 every Friday. Each entry benefits our charity and helps us continue to deliver a range of support services and help those in need.

Sign up

You can easily sign up to our lottery [online](#).

For each £1 entry, you'll get a six digit lottery number. The more entries you purchase the greater your chance of winning.

How to win

1. Three digits in the correct place wins **five free entries** into the next draw
2. Four digits in the correct place wins **£25**.
3. Five digits in the correct place wins **£1,000**.
4. Six digits in the correct place wins **£25,000**.

Spread the word!

Our weekly lottery provides a fantastic opportunity to win prizes whilst supporting Anxiety UK.

The more entries we receive, the more we'll be able to reach and help those in need.

Gift your friends and family the chance to win £25,000 whilst supporting Anxiety UK with a lottery e-voucher.

Players and purchasers must be over the age of 18. [Unity Lottery rules.](#)

Rules

- You must be 18 years old or over and live in Britain to play the lottery. Unfortunately, you can't play if you live in Northern Ireland.
- You can view the weekly winning numbers on the Unity [website](#) or call 0370 055 2291 to find out if you've won.
- Unity Lottery is responsible for paying out prizes. For every £1 you pay to play, Anxiety UK will receive a minimum of 50p.

*Payments to enter the lottery are made direct to Unity Lottery.

Payments by Direct Debit are made monthly. Credit card payments are subject to a minimum of 1 entry into the next 13 draws. For full details visit [Unity Lottery Rules.](#)

Anxiety UK is licensed with Trafford Council. License number SL071270.

The lottery is managed and promoted by [Unity Lottery](#)

Responsible gambling

If you feel you have a problem with gambling, please visit the [Gamble Aware website](#) for help and advice, or call the National Gambling Helpline on 0808 802 0133.

Winning number sequences are determined through a random number generator with a range of prizes being available for matching 3, 4, 5 or 6 digits as covered in the Unity game rules.

The likelihood of an individual winning a prize is 1 in 69. Information/rules and promoter details can be found on the Unity Lottery Rules Page – <https://www.unitylottery.co.uk/rules/>.

Details of the prizes can be found here <https://www.unitylottery.co.uk/prizes/>.

[The Gambling Commission](#) website provides information and advise on gambling and links to support.
