‘We’ve tried to go out but it’s been really stressful’ — fears of the Covid worriers

Tony Allen-Mills

Sunday May 16 2021, 12.01am,
The Sunday Times

Some have found it difficult to readapt to social situations
DOMINIC LIPINSKI

Long before the emergence in India of a dangerous new Covid variant, Hayley Martin was worried about the easing of lockdown restrictions in Britain and the

Vaccinated but won't go out? The rise of Covid anxiety syndrome

We're beating the virus, yet many have been left with a chronic fear of reintegrating. How can we break free of this self-imposed lockdown?
